downtown farmington community

Life isn't just good here in Farmington - it's great! With festivities all year long, assorted restaurants to satisfy your appetite, super shopping and enviable schools and public safety, Farmington reflects the perfect conditions for growing your business.

Founded more than 180 years ago, Farmington is the result of generations of people seeking – and finding - a better place to work, live and raise families. The downtown has grown up around a hub of commercial activity along Grand River Avenue.

Downtown Farmington has retained many of its classic, historic buildings. The landmark Farmington Civic Theater is one of the few old-fashioned movie houses still in operation in the region. Our unique blend of timeless architecture and trendy shops make strolling through Downtown Farmington a truly enjoyable experience.

Our first-rate public schools, together with our community, engage every student in the highest quality learning experience, empowering each student to become a thoughtful, contributing citizen in this fast-changing world.

In Farmington, we feel the comfort of knowing we live in one of the safest towns in southeastern Michigan. The Farmington Public Safety Department embraces a partnership of community-based police and fire services. A multitude of special services and programs focus on youth, neighborhoods, roadways and the business owners of our community.

With its small town warmth and modern urban amenities, **Downtown Farmington is bursting with potential.** It's our spirit and energy that will bring this potential to fruition.

Master Plan

Growth

Opportunity

downtown farmington master plan

Downtown Farmington is ripe with growth opportunities as outlined in the Downtown Master Plan, updated in 2016. The community's strategy for a pedestrian-friendly, higher-density future will be realized as these components are implemented. The plan highlights and builds on existing successes and serves as a road-map for change.

Five characterizing goals, each with corresponding objectives and strategies, set the course for the continuous revitalization of Downtown Farmington:

1. Connected to adjacent amenities and neighborhoods, with non-motorized pathways and walkways
2. Accessible, easy to reach and explore, with improved public parking, public transportation, pedestrian improvements and wayfinding
3. Vibrant and active with people living, working, playing and doing businesses, through development of downtown residences and mixed-use buildings and new public spaces
4. High-tech, utilizing smart infrastructure and the latest technological applications, with expanded public WIFI, electric vehicle charging stations and interactive business directories
5. Beautiful, attractive and eye-catching, with efforts that reinforce the historic character, extend streetscape enhancements and integrate public art

Private development is critical to achieving the vision of the Downtown Master Plan. While the Plan contains illustrative concepts, actual development will hinge on developer interest. Come discuss your ideas with city planning staff for feedback and project facilitation.

MARKET DATA/DEMOGRAPHICS

The following data reflects figures obtained from the 2010 U.S. Census, obtained through the Southeast Michigan Council of Governments (SEMCOG) and ESRI.

The primary trade area, as identified in the 2014 Retail Market Analysis, completed by the Gibbs Planning Group, is bounded by I-696 to the north, I-275 to the west, 7 Mile Road to the south and Middlebelt Road to the east.

	City of Farmington	Primary Trade Area
Population	10,423	61,400
Households	4,825	26,470
Median Household Income	\$56,442	\$59,700
Median Age	43.3	42
Median Home Value	173,900	192,600
Adult Population (18+)	6,203	49,500
% of Population with College Degree	53.5	46.9

Downtown Farmington represents a good bet for your new business. The expenditure potential in the trade area is substantial, according to the Gibbs Planning Group.

The Retail Market Analysis found that Downtown Farmington is presently supportable with over 100,000 square feet of additional retail space, capturing \$36 million of expenditures, growing to 125,000 square feet and \$44.7 million by 2019. Retail development could include a corner store, one or two 12,000-20,000 square foot convenience centers along Grand River Avenue or Farmington Road and one 60,000 square foot neighborhood center along Grand River Avenue.
